생성 내용 정리

The screenshot shows the GAMMA PPT creation interface. On the left, there's a sidebar with options like '텍스트 콘텐츠' (Text Content), '카드별' (Card by Card), '이미지' (Image), and '형식' (Format). The main area displays '프롬프트 편집기' (Prompt Editor) with three prompts: 1. '1페이지: 디지털 기기를 시작한 이유' (1st Page: Reasons for starting digital devices), 2. '2페이지: 주요 학습 내용 1 - 주요 디지털 기기 사용' (2nd Page: Main learning content 1 - Main digital device usage), and 3. '3페이지: 주요 학습 내용 2 - 의사소통과 안전' (3rd Page: Main learning content 2 - Communication and safety). On the right, there's a '생성 내용 정리' (Organize generated content) section with a '내용 편집' (Edit content) button. A red dashed box highlights the '생성 조건 설정' (Set generation conditions) area on the left and the '내용 편집' button on the right.
